

INTERNATIONAL FREIGHT FORWARDING SKILLS BOOTCAMP

A Skills Bootcamp* providing an introduction to international compliance, regulations & good practice for the import & export of goods. Develops participants to have the skills & knowledge to work safely & productively in freight forwarding roles

ONLINE course delivered FLEXIBLY, one day a week & spread over 5 weeks so there is minimum disruption to work schedules.

* For individuals aged 19 or over who live or work in Norfolk or Suffolk, and who haven't been on another funded Skill Bootcamp course during the current financial year. TRS will conduct a postcode check to confirm eligibility

COURSE TOPICS INCLUDE:

Freight Forwarding Essentials (BIFA session)

Customs Essentials (BIFA session)

Dangerous & Hazardous Goods (including modal restrictions to movement)

Customer Service for Freight/Logistics

Business Relationship Techniques

Sustainability in Logistics

Delivered by TRS in partnership with the British International Freight Association (BIFA).

- 90% FUNDED for SMEs - only £200 +VAT
- 70% FUNDED for larger employers - only £600 +VAT
- No costs for the participant: if employed, their employer must make contributions as outlined above
